

Summary of Service

Committees.....

- Math Department Scholarship committee, member *August 2019 - present*
Math Department Scholarship committee, chair *September 2020 - present*
This committee selects students to receive the D.L. Pugh and W.H. Reynolds awards for junior and senior mathematics majors.
- Department Curriculum Committee *August 2020 - present*
This committee manages changes to curriculum and requirements for degrees. Currently we are updating descriptions and including Student Learning Outcomes for our courses.

Student Advising.....

- In the fall of 2019 I started advising three math majors. In Fall of 2020, I added six more to my list of advisees. To date, I have served as an advisor to a total of 9 students.
