Conferences and Seminars Attended Since Initial Appointment

Conferences

- eCARS: Early Commutative Algebra Researchers *June 2020*
  Zoom Conference for Early Career Mathematicians
- DG Methods in Commutative Algebra and Representation Theory *May 2020*
  Zoom Special Session
- Joint Mathematics Meetings 2020 *January 2020*
  Denver, Colorado
- AMS Eastern Sectional, Special Session on Commutative Algebra *October 2019*
  Binghamton University, Binghamton, New York
- Route 81 Conference *October 2019*
  An annual regional conference in commutative algebra and algebraic geometry.
  Queen's College, Kingston, Ontario
- KUMUNU Conference *September 2019*
  An annual regional conference in commutative algebra and algebraic geometry.
  University of Nebraska-Lincoln, Lincoln, Nebraska

Seminars

- MSRI: The Fellowship of the Ring *March 2020 - present*
  A weekly Zoom seminar for researchers of commutative algebra and algebraic geometry, organized by MSRI.
- Syracuse Algebra Seminar *August 2019 - present*
  I attend the algebra research seminar at Syracuse University when possible.
- Stable Module Category Seminar *May - July 2020*
  A bi-weekly Zoom seminar on stable module theory organized by Josh Pollitz
- Commutative Algebra and Coffee *August 2019- March 2020*
  A weekly informal research seminar for algebra students at Cornell University.
